The Featured Group Of The Month

The featured group of the month is Crosspoint. Since the debut of CrossPoint in July of 2005, personnel changes and a progression in style have sent the group hurtling to the forefront of gospel music in Arkansas. Brian Clark (Tenor), Josh Kee (Lead), and Kevin Cleghorn (Baritone) blend their amazing voices to create a sound that is distinctively CrossPoint. Their swirling harmonies enchant audiences and draw them into an undeniable spirit of worship. God has richly blessed each of these individuals with great talent, but make no mistake about it! These men understand this is a union designed by grace and created for God's own purpose. They comes from Bryant, Arkansas. To contact this group at www.crosspointmusic.com.
